The Nissan Sentra is a series of automobiles manufactured by Nissan since 1982. Previously subcompact in classification, for model year 2000 it was reclassified as a compact car. Until 2006, Sentra was a rebadged export version of the Japanese Nissan Sunny, but since the 2013 model year, Sentra is a rebadged export version of the Sylphy. The Sentra nameplate is not used in Japan.

Basic Approach to the Value of Used Cars. There's no rocket science involved in car valuation for appraisal or selling purposes. The value of a used car depends upon its mileage, condition, the amount of damage sustained, any repair works carried out, the market rate for similar vehicles and any modifications made by the original owner or dealership.
