To protect the public—and the integrity of the legal profession—each state has its own code of ethics that lawyers must follow. These are usually called the “rules of professional conduct.” The American Bar Association publishes the Model Rules of Professional Conduct , which lists standard ethical violations and best practices for lawyers.

### How to Report a Lawyer for Ethics Violations | Lawyers.com

The same First Amendment freedoms that allow U.S. media outlets to publish without fear of government interference also make it nearly impossible to impose a standard of ethics or professional protocol for journalists. No organization exists to certify journalists, and likewise, no uniform system exists for penalizing unethical behavior.

### Media Ethics // Purdue Writing Lab

Primary research involves collecting data about a given subject directly from the real world. This section includes information on what primary research is, how to get started, ethics involved with primary research and different types of research you can do. It includes details about interviews, surveys, observations, and analysis.

### Research Ethics // Purdue Writing Lab

Doing Ethics emphasizes that moral decision making is an active process - something one does. The Fourth Edition provides students with the theoretical and logical tools that a morally mature person must bring to that process, and offers a wealth of readings and case studies for them to consider and discuss.
