In the psychoanalytic theory of Jacques Lacan, objet petit a stands for the unattainable object of desire. It is sometimes called the object cause of desire. Lacan always insisted that the term should remain untranslated, "thus acquiring the status of an algebraic sign" (Écrits). 'The "a" in question stands for "autre" (other), the concept having been developed out of the Freudian "object" and ...

Self-Efficacy in Education. Image Courtesy of Wikimedia. Self-efficacy has probably been most studied within the context of the classroom. There is a good reason for this, as self-efficacy is like many other traits and skills—best developed early to reap the full benefits.. Much attention has been paid to how teachers can most effectively boost their students’ self-efficacy and help them ...

The last days of the dying person should be spent in the most peaceful manner possible. Dying in one's home is also preferred in our culture because it gives the dying person a sense of warmth and familial bond. reflecting on this, I believe that dying in one's home is also a sign that the eventual death of a family member has already been accepted by the family.
