Annuity FAQs - Common Questions & Answers About Annuities

Annuities work by converting a lump-sum premium into a stream of income that a person can't outlive. Many retirees need more than Social Security and investment savings to provide for their daily needs. Annuities are designed to supply this income through a process of accumulation and annuitization or, in the case of immediate annuities, lifetime payments guaranteed by the insurance company ...

The result was financial instability. In 1720, financial panic struck in France when, after a rush of buying and selling, stockholders became frightened and tried to sell their stocks. With everyone trying to sell and no one buying, the market crashed. In England, a financial scandal known as the South Sea Bubble took place a few months later.
