The Louisiana Bureau of EMS launched our new Information Management System (IMS), formerly referred to as "The Portal," in November 2018. In development for over a year, the IMS is robust, reliable, and user-friendly. All existing licensing data was transferred from the previous licensing portal (emsbridge or ImageTrend) to the new IMS.

Due to scheduled database maintenance, the COVID-19 dashboard won't post updated cases, deaths, hospitalization, or testing numbers on Sunday 10/17, or Monday 10/18. The dashboard will still be available, with vaccine and hospital numbers related to utilization (such as beds and ventilators) continuing to update, but other numbers will remain the same until the maintenance is complete.
