Hewlett Packard 1050 | Labx
We have successfully converted HP 1090™ and HP 1100™ liquid chromatographs into fully automated capillary HPLCs. We have had difficulty automating the Waters Alliance™ HPLC. However, every HPLC is capable of driving capillary columns in a manual fashion using the principles described in this tutorial.

Capillary HPLC Tutorial - Introduction
HP / Agilent ChemStation Operation For HPLC. Introductory overview of software and hardware features (includes review of the most popular Hardware modules (in either a 1050, 1090, 1100, 1200, 1260 or 1290 HPLC), detailed instrument set-up tips, method creation, sequences, report styles, simple automation, calibration tables, spectral features, peak purity, and advanced maintenance procedures.
