10 Best Printed Storm Warning Riding The Crosswinds In The ...

I had to ride from Taupo to Auckland 2 days ago, most exhausting ride I've ever experienced due to the sudden storm. Crosswind was so unpredictable and sudden, one moment I'm pushed right another I'm thrown left at such force I felt I lost control a few times. I have a light cruiser which didn't help probably.

How to ride a motorcycle in high wind - Motorbike Writer

Check the weather warnings before you head off, as high winds can be really dangerous. If you don't absolutely have to travel, then consider the option of not riding in those conditions at all, especially if you are a relatively inexperienced rider. If there are high wind warnings, try to schedule your riding to a time where the
