British Army - Home | Facebook

The British Army during World War I fought the largest and most costly war in its long history. Unlike the French and German Armies, the British Army was made up exclusively of volunteers—as opposed to conscripts—at the beginning of the conflict. Furthermore, the British Army was considerably smaller than its French and German counterparts.

British Army during World War I - Wikipedia

At the start of 1939, the British Army was a small volunteer professional army. At the beginning of the Second World War, 3 September 1939, the British Army was small in comparison with those of its enemies, as it had been at the beginning of the First World War. It also quickly became evident that the initial structure and manpower of the British Army were woefully unprepared and ill-equipped ...
