Background Citizenship law. The Indian Constitution that was implemented in 1950 guaranteed citizenship to all of the country's residents at the commencement of the constitution, and made no distinction on the basis of religion. The Indian government passed the Citizenship Act in 1955. The Act provided two means for foreigners to acquire Indian citizenship.

## **Citizenship (Amendment) Act, 2019 - Wikipedia**

Citizenship is the status of a person recognized under the custom or law of a sovereign state or local jurisdiction as a member of or belonging to the state. Each state is free to determine the conditions under which it will recognize persons as its citizens, and the conditions under which that status will be withdrawn. Recognition by a state as a citizen generally carries with it recognition of civil, political, and social rights which are not afforded to non-citizens. In general ...
