### The Narcissism Epidemic Living In

The epidemic model they use to follow narcissistic components of culture and tendencies in people is convincing and more than a little appalling. Updated to include the 2008 credit crash and still depressingly relevant, The Narcissism Epidemic does Although a departure from my preferred fiction, this incisive, well-researched, and accessibly-written catalogue of narcissism in American culture ...

## **The Narcissism Epidemic - Dr. Jean Twenge**

Filled with arresting anecdotes that illustrate the hold narcissism has on us today -- from people hiring fake paparazzi in order to experience feeling famous to college students who won't leave a professor's office until their B+ becomes an A -- The Narcissism Epidemic is at once a riveting window into the consequences of narcissism, a probing analysis of the culture at large, and a ...

## **The Narcissism Epidemic: Living in the Age of Entitlement**

...

Narcissism is a psychocultural affliction rather than a physical disease, but the model fits remarkably well. We have structured the book according to this model, explaining the epidemic's diagnosis, root causes, symptoms, and prognosis. Like the obesity epidemic, the narcissism epidemic has not affected everyone in the same way.
